

Always Make The Superior Correction

A problem with your roof often does not mean it is time for replacement. Superior takes the time to detect current and potential problems. Proper minor corrections extend a roof's life.

What makes our correction process Superior?

- Our goal is to maintain and extend the life of your roof.
- We trace most roofing problems back to sources other than the roof itself, help you address them and minimize cost.
- Our conventional and technologically advanced systems combined with our expertise in all roof systems to detect problems other companies overlook.
- Extensive experience in a wide variety of industries with all types of roofing gives us the added advantage:
 - Hospitality • Government • Education • Hi Rise
 - Industrial • Health Care • Office • Retail

We extend the life of your roof, you save money – and that is the bottom line!

A Superior Inspection of every inch of your roof ensures that you get a complete picture.

This roof's "problems" actually had nothing to do with the roof itself.
